

CURRICULUM VITAE

FULL NAME: Gunel Bahaddinova

E-MAIL: gbahaddinova@khazar.org
gunelbahaddinova@gmail.com

YEAR	ACADEMIC DEGREE	INSTITUTION	CLASSIFICATION
2016	PHD in Astrophysics	ANAS, Shamakhy Astrophysical Observatory named after N. Tusi	
2010	Master degree	Department of Physics, Baku State University	Excellent (Honor) (5.0 in a scale of 5.0)
2008	Bachelor degree	Department of Physics, Baku State University	4.0 in a scale of 5.0

PREVIOUS AND CURRENT SCIENTIFIC AND PROFESSIONAL ACTIVITIES

PERIOD	POSITION OR CATEGORY	INSTITUTION
2009-2011	Junior scientific researcher	ANAS, Shamakhy Astrophysical Observatory named after N. Tusi, Department of "Spectroscopy of Space Body", Azerbaijan
2011-2017	Scientific researcher (Full time)	ANAS, Shamakhy Astrophysical Observatory named after N. Tusi, Department of "Spectroscopy of Space Body", Azerbaijan
2017-present	Scientific researcher (Part time)	ANAS, Shamakhy Astrophysical Observatory named after N. Tusi, Department of "Galaxies and star formation processes", Azerbaijan
2015- 2017	Lecturer (Physics, Astronomy)	Baku State University, Azerbaijan

28.05.2018 – 01.06.2018	“Erasmus +” teachers exchange program	Pitesti University, Romania
8-22 august, 2018	Research	Ondrejov observatory, Czech Republic
15.10.2019-31.01.2020	Physics teacher (part time)	Azerbaijan British College
2017- 2021	Lecturer (Physics) Full time	Western Caspian University, Azerbaijan
2021-2023	PhD coordinator of Graduate School of science, Art and Technology	Khazar University, Azerbaijan
October 2023 - present	Scientific Secretary	Khazar University, Azerbaijan
January 2023 - present	Vice Dean for Scientific Affairs of Graduate School of Science, Art and Technology	Khazar University, Azerbaijan

LANGUAGES:

LANGUAGE	READING	WRITING	CONVERSATION
English		advanced	
Russian		good	
Azerbaijani		native language	
Turkish		advanced	

CONFERENCES:

1. “Winter school for University students in Astronomy” Lecturer, Shamakhy Astrophysical Observatory, 8-11 march, 2019.
2. “IES Trening of treners” Georgia, Kakhety, 24-28 september, 2018
3. International conf. The First Regional Conference on Sustainable Industrial Development: “Promoting Sustainable Energy Solutions and Clean Technologies in CIS Countries”, Vienna, Austria, 22-24 November, 2017.
4. International conf. The B (e) Phenomenon. Forty years Studies, Prague, Czech Republic, 27 June - 1 July 2016.
5. International conf. European Week of Astronomy and Space Science, La Laguna, Tenerife, Canary Islands, Spain, 22 – 26 June 2015.

AREA OF SCIENTIFIC ACTIVITY

Physics, Astrophysics, Astronomy.

MEMBERSHIP

Member of the European Astronomical Society (2010-present).

COMPUTER SKILLS

Latex, IRAF, Midas, Matlab, Dech 20T (Spectrum analyzing program), Dech 95, Microsoft Office, Power Point, Photoshop.

GRANTS

- Grand of Azerbaijan Youth Foundation near President of Azerbaijan - “Popularization of Astronomy and Cosmos Science”, 2016, 25 September-25 December.
- Grand of Science Development Foundation Under the President of the Republic of Azerbaijan “Spectral and photometric researches of selected T Tauri and Ae/Be Herbig type stars” (Research team member), 2011.
- Grand of TWAS Research Grants Programme for Individual Scientists and Research Units “A structure and dynamics of circumstellar envelopes in pre-main-sequence emission-line stars” (Research team member), 2010.
