ORGANISATIONAL SKILLS

Organisational skills

Specific regional experience (Eastern Europe, the Caucasus, Central Asia) from 1991

JOB-RELATED SKILLS

Job-related skills

Since 2003, he is in the loop of EITI, as PWYP/CSO leader, and initiated EITI engagement in Azerbaijan as well as in other Eurasia countries, including Kazakhstan, Kyrgyz Republic, Mongolia, Tajikistan, and Ukraine.

Between 2009-2011, served on the EITI International Board as a CSO representative from Eurasia. During his Board membership, he contributed to designing and developing of EITI Rules and improvements in EITI Standard.

He also writes articles and blogs on various challenges related to EITI implementation in Eurasia. (<https://beta.eiti.org/node/4657>):

Although my regional expertise mainly focuses on the specifics of EI nature and stakeholders in Eurasia region, he is also familiar with other regions due to my involvement in NRGi Global meetings and networks and EITI/PWYP networks.

As an expert on EITI, he has been engaged, in the country, regional and global levels. Many publications, books, blogs on EITI, EI contracts, have been published. Please see: <http://eiti.org/blog/eiti-azerbaijan-dont-stop-peddalling>; <http://pubs.iied.org/16531IIED.html>, etc.
