

## **Arzu Aliyeva**

Geophysics Bachelor Coordinator at French - Azerbaijani University

### **Education**

- 2017– 2019      **M.Sc.**  
Geological exploration faculty/Sedimentology  
Azerbaijan State Oil and Industry University, Azerbaijan
- 2013 – 2017      **B.Sc.**  
Geological exploration faculty/Geology  
Azerbaijan State Oil and Industry University, Azerbaijan

### **Employment**

- 2023 (March) -Current      **Geophysics Bachelor Coordinator**  
French – Azerbaijani University
- 2020-2023      **Lecturer**  
(March)      Azerbaijan State Oil and Industrial University, Azerbaijan
- 2018-2023      **Laboratory Assistant**  
(March)      Azerbaijan State Oil and Industry University, Azerbaijan
- 20016– 2018      **Geology engineer**  
Republican Seismic Survey Centre of Azerbaijan National Academy,  
Azerbaijan

### **Grants/Awards**

- 2018-2019      Scholarship Program named academic Khoshbakht Yusifzadeh  
(Master student), Azerbaijan
- 2016-2017      Certificate in the conference at Azerbaijan Society of Petroleum  
Geologists

### **Teaching**

- 2021 – 2022      “General Geology” (1<sup>st</sup> year), “Petrography” (2<sup>nd</sup> year), “Mineralogy,  
petrography and Lithology (1<sup>st</sup> year) in Azerbaijan State Oil and  
Industrial University, Azerbaijan
- 2020-2021      “Crystallography and Mineralogy” (1<sup>st</sup> year), “Geology of ore mineral  
deposits” (3<sup>rd</sup> year) in Azerbaijan State Oil and Industrial University,  
Azerbaijan
- 2020(a term)      “Crystallography” (1<sup>st</sup> year) in Azerbaijan State Oil and Industrial  
University, Azerbaijan

## **Publications**

Mammadov M.N, Agayev A.M, Valiyev A.A, Bayramov A..A, Mammadov S.M, Jabrayilova A.A (2020)

Mineralogical and geochemical characteristics of ore metasomatites suspected in the field of Umid mineralization, Gadabay ore region, Lesser Caucasus, Azerbaijan. Journal of News of Azerbaijan Higher Technical Schools, 18-25

Valiyev A.A, Bayramov A.A, Mammadov S.M, Ibrahimov C.R., Jabrayilova A.A. (2020)

Distribution of geochemical elements in ore lenses and their correlation with gold, Bittibulag copper-arsenic deposit, Lesser Caucasus, Azerbaijan. Journal of News of Azerbaijan Higher Technical Schools, 13-19
