Email: elviramammadli@hotmail.com

Address: A.Qurban avenue 25/149, Khatai district, Baku.

EDUCATION

Ph.D. in Hydraulic Engineering and Water Resources

Dokuz Eylul University, Turkey 2016 –

Master's Program in Meteorology,

Baku State University, Azerbaijan, 2008 – 2010

BSc. Hydrology,

Baku State University, Azerbaijan, 2003 – 2007

PROFESSIONAL EXPERIENCE

Lecturer

Department of Geography and Environment Sciences

Khazar University

09/2018 –

Hydrology Engineer

Azerbaijan Scientific-Research and Design-Prospecting Power Engineering Institute

"Azerenerji" Open-Type Joint Stock Company (JSC),

06/2010 – 08/2015

- Measure the properties of bodies of water, such as volume and stream flow
- Recording and analysing water resource systems data
- Calculation & justification of the given hydrological parameters
- Calculate the streamflow hydrograph
- Prepare written reports and presentations of their findings
- Use computer models to forecast future water supplies, the spread of pollution, floods, and other events

Hydrology Engineer

Department of National Hydrometeorology

Ministry of Ecology and Natural Resources of Azerbaijan

08/2008 – 05/2010

- Receiving and analysis of incoming hydrological data
- Calculation & justification of the given hydrological parameters
- Completing tasks with Excel

PROFESSIONAL CERTIFICATES AND TRAININGS

- “EU Project Trans–Boundary River Management Phase II for the Kura River basin-Azerbaijan, Georgia, Armenia" river basin management workshop, March 2009, Tbilisi/Georgia
 - "Azerbaijan Rivers Water Accounting, Its Hydrological Forecasts And Climate Change Impact On Water Resources" training course organized by Ministry of Ecology and Natural Resources of Azerbaijan. May 2010
 - "Water Resource Management Policy on Desertification" training course organized by UNDP Azerbaijan and Embassy of Israel Azerbaijan. March 2009
 - "Training on Application of Renewable Energy Sources” organized by Public Investment Capacity Building Project, Under the Cabinet of Ministers of Azerbaijan, November, 2011
-

SKILLS AND INTERESTS

Languages	Azeri (native), English (proficient), Russian (proficient), Turkish (native)
Computer skills	Arcgis, HEC, Competent MS Office user; EViews;
Interests	reading, make trips
